

3.0 - DESCRIPTION OF SERVICE

3.3 Optional Calling Plans

3.3.1 Region Plus Plan:

A. General

1. The plan will allow subscribers to call anywhere within the originating lata as well as any FTC, FTC Diversified Services Inc., or FTC Wireless subscriber regardless of jurisdiction for a per minute charge for all such usage. (T)
2. The plan includes local service as described in section 3.1 of this tariff.
3. Farmers Long Distance is a prerequisite as customer's PIC for participation in this plan.
4. Ten digit dialing will be required for toll calls within the defined calling scope in section 3.4.1.A1. (T)
5. Detailed billing is not included in this plan. The subscriber can request this feature for an additional cost per month.
6. This plan is intended for Voice Use only.
7. Please see Section 4.14.1 and Appendix A for rates and charges. (T)

3.3.2 Nationwide Plan:

A. General

1. The plan will allow a subscriber to call anywhere/anytime in the continental United States for a per minute charge. (T)
2. This plan is for Residential subscribers only.
3. The plan includes local service as described in section 3.1 of this tariff.
4. Farmers Long Distance is a prerequisite as customer's PIC for participation in this plan.
5. Ten digit dialing will be required for toll calls within the defined calling scope in section 3.4.2.A1. (T)
6. Detailed billing is not included in the plan. The subscriber can request this feature for an additional cost per month.
7. This plan is intended for voice use only.
8. Please see Section 4.14.2 and Appendix A for rates and charges. (T)

Per Queue Slot	NA	\$ 20.00

4.19 Remote Call Forwarding Service

4.19.1 Application of Rates

- (A) Charges for the Remote Call Forwarding Feature and additional access paths are in addition to applicable charges for service and equipment with which it is used. Residence and business exchange line rates do not apply at the call forwarding location.

		<u>MAXIMUM</u>
Remote Call Forwarding		
Per arrangement, monthly	\$30.00	
Per forwarding access path	Applicable Call Forwarding call feature rate	

- (B) Message charges applicable to remotely call forwarded calls will be comprised of two separated charges as follows:
1. Between the originating station and the call forwarding location - the charge for this portion of a remotely forwarded call will be the charge specified in this or any other applicable Tariff for the type of call involved and will be the responsibility of the calling party.
 2. Between the call forwarding location and the terminating station - the RCF customer is responsible for the applicable usage charges for the applicable customer dialed station charges specified in this or any other applicable Tariff. These charges apply to all calls answered at the terminating location, including person-to-person and collect calls, even though such calls might not be accepted at the answering location.
